SOUTHEAST HIGH SCHOOL SEAL

The above design has been adopted as the official school seal. Based upon the school's nick-name, "Pirates", this seal artistically embodies the characteristics of the buccaneer of colonial times. This seal is used as tne design on class rings and Pirates' Log, in the future it will be used for other school affairs. Combining of the school colors, maroon and gold, with the seal produces a colorful and meaningful coat-of-arms for Southeast High School.

Dedication

To show our gratitude to our principal and superintendent, Paul Pfeiffer,
who has earnestly and indefatigably worked to establish a success-
ful consolidation and has proven himself to be a friend and
leader to students and teachers.
E pluribus unum

The Seniors

President ..... Edward Yarolin
Secretary ..... Jeanette Hill
Vice-President ..... James Curtiss
Treasurer ..... Virginia Wigglesworth
Class Advisor ..... Mrs. Mildred Fall

On September 4th, 1950, fifty wary students walked cautiously into our home rooms of a newly consolidated school. Mrs. Fall and Mr. Olszewski, our class advisors, managed to pull us through thick and thin of that year.

We spent the first few weeks of school getting acquainted with each other. Walter Yingling was elected President of our class. One of the most important things our class did last year was choose the crest for our class rings, which will remain a tradition as the school seal of S. H. S. We sponsored Southeast's first Homecoming Dance, at which a Senior of '51, Ruth Sampson, was crowned Queen.

In the spring our class play, "Half Past", was presented under the direction of Mrs. Fall.

We took two very interesting field trips, one to Nela Park in Cleveland, and the other to the Quaker Oats Plant in Akron.

We sponsored the first prom at Southeast which was one of the most successful events of the year.

We lost seven classmates during the course of our Junior year, so when we resumed school September 3, 1951, we had an enrollment of only 43. Seniors at last! There were times when it didn't seem possible that we would ever be known by the magical name. Seniors.

Ed Yarolin having been elected our President, commenced his duties by holding a class meeting. At that time, we selected our class flower, colors and motto.

Shortly before Christmas vacation, our pictures arrived.

Our biggest project of the year, the Pirates' Log, was completed April 3, to the satisfaction of all involved.

"Music in the Valley" a drama concerned with the problems of family during the war years, 1941-1947, was presented the nights of April 4th and 5th. The cast and the Senior Class experienced great satisfaction and pride in this particular play.

May 10, the Seniors were entertained by the Junior Class at the annual Junior-Senior Prom, which was held in the Southeast Auditorium.

Baccalaureate was May 18 in the Southeast Auditorium. The speaker was Reverend Emmett Harrel from Edinburg.

Commencement at Last! It was held May 23 in the Southeast Auditorium.

CLASS PROPHECY

It is the year 1962. I am on the planet Jupiter, and I have just received a telegram from the president of the class of 1952, Eddie Yarolin, at Southeast High School in Edinburg, Ohio. The telegram instructs me to locate all of my ex-classmates and see what they are doing. Ten years ago this might have been a problem, but now, with inter-planetary television, raido, telephone and everything, it is quite easy. So, I settle down with a cup of steaming asteroid extract, and turn on my inter-planetary television set.

The first place that I contact is New York City. My set penetrates one of the big sky scrapers, and there is Geraldine Bailey, one of the top secretaries in her office. She is not married, having decided to make her job her career. Just as I was about to switch the channel, I notice a nervous man flitting in and out among the desks, trying to keep the girls busy. He looks very familiar—bless my stars, it's Steve Pelo! I always knew Steve was a born leader, and here he is, manager of a wholesale candy company. Suddenly there is a lot of static in my set and another picture comes on the screen. A woman is singing "When The Moon Comes Over The Planet", it's Gay Busse. I have heard that she is hailed as the second Kate Smith. Gay's comedian comes out now and proceeds to do an impersonation of Junior (from Red Skelton's show), and it's Don Stacy. I got an Ohio station on my set and I managed to locate some more classmates. Dorothy Brunsetter is head nurse at St. Luke's Hospital in Cleveland. Jeanette Hildebrand is a star reporter for the Cleveland Plain Dealer. She has just finished writing an article about Lee Robinson, one of the Cleveland Indian's best pitchers.

I refilled my cup of asteroid extract and got Akron. A unique little dress shop caught my attention, so I flicked my X-ray t.v. on and took a peek in. Great Galaxy! Marge McPeak, Jeanette Hill and Joanne Fosbeck are running it. They have a thriving business, the latest fad being creations from Venus. They have one model whose face is vaguely familiar, why it's Pat Davis. The girls told me to go over to the Cleveland School for the Deaf, so, following their instructions, I trained my set on it and looked in. There I saw Vivian Smith, teaching deaf children. I talked to her on my inter-planetary telephone and she told me that she is married and is raising a family of five children in addition to her work. On the outskirts of Cleveland, I noticed a lot of confusion on route 14. Upon investigating, I found that three jetmobile drivers were raising havoc around town. The jetmobilers are Paul Brown, Frank Burkey, and Glenn Hormel. A tall, red-headed State Patrolman finally caught up with them, and, for heaven's sake, it is Pinky Hurd.

I decided to look in on the Cleveland Airport. A tall red-headed hostess for one of the space ships is having a cup of coffee, and she is Virginia Wigglesworth. Three passengers on the space ship are familiar too, and they are Shirley Behner, Margie Bair and Juanita Cole, who are going on a vacation, touring some of the planets.

In the meantime, two very distinguished-looking engineers got off the space ship. Blast my tail rockets, they're Walter Yingling and Eddie Yarolin! They have been preparing data for a space highway. They are having some difficulty, because Professor Cecil Kerley, a noted scientist, had strongly objected to a highway through space.

I wonder if the deep south has beckoned to any of my classmates? I'll soon see. I can hear some good music coming from Savannah, Georgia, on my inter-planetary radio. It's Jim Curtiss and his famous dance band. Jim tells me that Frank Morgan is in South America with a uranium mining company.

After refilling my cup of asteroid extract, I got the magical city of New Orleans. Myra Schell is living there with her husband and six children.

I found Shirley Corbitt working as a stenographic technician for the Civil Service Commission in Tulsa, Oklahoma. From Tulsa, I went to San Antonio, Texas. Dave Williams and Jerry Richards are stationed there with the Air Force. Both boys are making the Air Force their careers. Esther Myers is making the Wacs her career. Jerry tells me that George Thomas, Bob St. Clair and Oscar Voehringer are partners on a big dairy farm in Wisconsin. Back east I stopped at the big jet base at Brookfield, Ohio. Clara Richards, Violet Heritage and Jean Partin are working there doing office work. Wilbur Michael has the exciting job of launching rockets.

This is the prophecy of the Class of '52.

Dear Zeke:

I am writing this letter to thank you for returning my bicycle fender, the one you knocked off the last time you borrowed my bike. I'm glad you brought my fender back but you shouldn't have put it in the driveway; the coal truck ran over it this morning.

—Herk

P. S. If it isn't too much trouble, bring my bike back sometime this week.

—imer

CLUBS AND ACTIVITIES

Hi Gang!

Another year is going by. Gee Whiz, it seems like only yesterday that school started.

We found a few new teachers on the staff: Mr. Steve Pucsok, Mr. Howard Kinch, Mr. John Minotti, Mrs. Ellen Westover, and Mr. Albert Holb.

On September 21, the Seniors held the first dance of the school years. Then on September 24, Mr. Cassiday of the CASSIDAY DANCE STUDIOS in Alliance, came and began a series of dance lessons.

October 19 the Seniors had their pictures taken by Mr. Davis from Massillon. School on Saturday will never become popular.

November was a very eventful month, especially for the Juniors. They held the annual Homecoming Dance the 9th. Marjorie McPeak was crowned queen of S. H. S.

The 13th of November the Director of Admissions of Hiram College talked to the Seniors about going to College. The morning of the 16th all the students were examined for Sugar Diabetis conducted by Mrs. Caldwell of the County Health Department. The Student Council sponsored a round and square dance. November 21 the Juniors gave their play, "YOU CAN'T TAKE IT WITH YOU," under the direction of Miss Adele Phillips. Good play Juniors! And then it came, the long awaited Thanksgiving vacation. November 29th we played our first basketball game, with Hiram.

Then the beautiful but snowy month of December came along. The 16th Kenny Lewis was elected captain of the football team for the next season. Three cheers for Kenny! ! Came the 20th and we bade a farewell to our classmates clutching our Senior pictures and floundering through ice and snow but not for long, you see, Christmas vacation was here and home again.

January 2 everyone came back fresh from Christmas vacation. January 10 was a happy day for the Juniors, they received their class rings. Southeast attempts a new project, a newspaper. The 11th the first edition of the PIRATES' PRIDE came off the press. The 19th the Seniors' had a mid-year semi-formal dance at Charlestown.

Hail to February, the month of hearts and flowers. Mr. Miller, vocal teacher, is added to the faculty. The 2 of February, the Varsity S Club had a March of Dimes Dance, with Ellen Hartzell and Herb Behner reigning as King and Queen. Mr. Laczko takes over the shop instruction as we bid farewell to Mr. Hofus. The 22 being George Washington's birthday, was a holiday for the students. It also marked another important event. Mr. Holb stopped school long enough to get married and take a week's honeymoon in Bermuda. Congratulations Mr. Holb! ! The 26th we were pleasantly greeted with the beautiful voices of the Vocalaires from Sebring High School. Also in the evening of the 26th the mixed chorus of which we are proud, sang at Ravenna Township School and was quite a success. The Student Council had a round and square dance the 28th; very successful dance, kids.

April 1st, the Home Economics Class went on an all day tour of the M. O'Neil Store in Akron. They tell me that they had a wonderful time, thanks to Mrs. Coffman, who was responsible for the whole thing. The 2nd, the Juniors took a trip to Nela Park, to see all about electricity. Another big event took place the 4th, the Seniors gave their play. It was also held over and given the 5th. The name of the play was "MUSIC IN THE VALLEY". Starting the 10th and running through the 15th, we had our Easter vacation. We came back to finish the year and the end was creeping closer every day. Some students were pretty happy about it. But the Seniors were a little blue, just think kids, no more studying and cramming for tests.

May - - gee - - school is at an end again. This month was filled with lots of things, the big events were the Prom which the Juniors gave for the Seniors on the 10th of May, Baccalaureate the 18th, and then the big step, Commencement the 23th. And with that school closed.

HOMECOMING DANCE

On November 2, each class elected candidates for a Homecoming Queen. Candidates were Marjorie McPeak, Helen Notman, Joyce Richards, Inez Landrum, Janet Williams, and Ruth Blasens. The student body elected Marjorie McPeak, queen for this occasion. The Queen's court attendants were the other candidates. Steve Pelo and Cecil Kerly, co-football captains, assisted in the crowning. This Homecoming Dance was Friday, November 9th, following the final football game with Atwater. Juniors were the sponsors and a large crowd attended.

JEANNE VOGEL

The student body chose Jeanne Vogel as the Southeast candidate for a Snowball Queen contest held at a special all-county dance at Randolph on Saturday, December 29, 1951. We are proud of our representative, Jeanne.

PEGGY HOSKINS

Our school is very proud to have such a good cook as Peggy Hoskins. She won a trip to New York by entering the National Junior Pillsbury Cake Baking Contest. She was royally entertained during her 3 day stay at the Waldorf-Astoria Hotel, with dinners, flowers, and personal appearances. She received a stove, electric mixer, table and chair, and $50. This all happened on December 7, 8. and 9, and we're happy about Peggy's good fortune.

RAMONA GAY BUSSE

In March of 1951 Miss Busse received highest honors for voice in district competition. May 12 at Otterbein College she participated in the state contest and was awarded a rating of I for her solo, "Il Bacio".

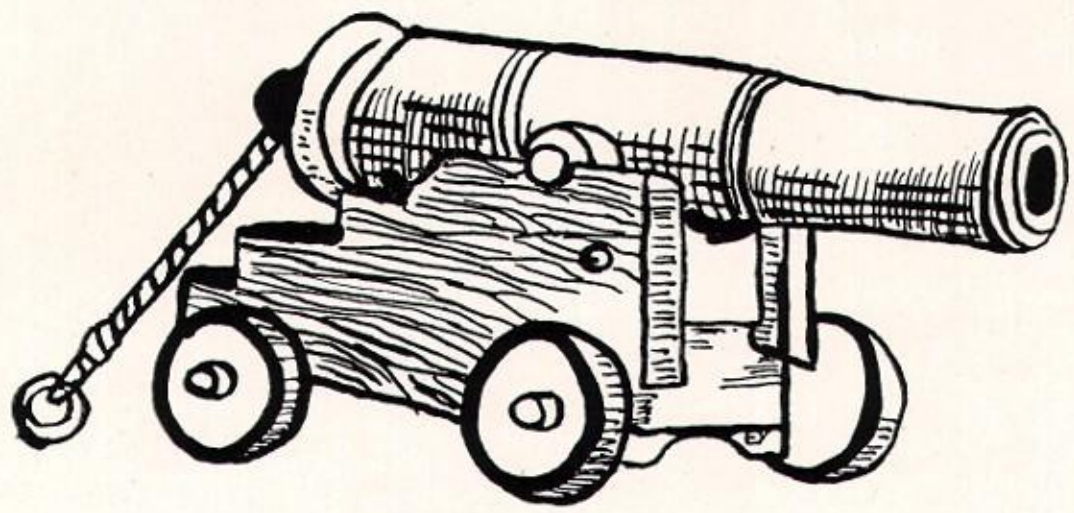
Southeast's first yearbook (The Pirates' Log) was a success from the very start. The staff was chosen in October, but actual work did not begin until early December.

The name was selected after the student body had submitted numerous suggestions, then the contest was narrowed to a choice of five. "Pirates' Log" was the name chosen by vote of the students on Friday, November 23, 1951. Don Crowder and Dana Slack being the recipients of congratulations for submitting the name "Pirates' Log."

This being Southeast's first yearbook, the staff has attempted to incorporate the school's colors, seal, nickname and customs in an effort to produce a book which is representative of the entire student body.

Mrs. Fall was our literary advisor and Mr. Holb our business advisor. Mr. Pfeiffer was our general organizer.

To the future staffs of the Pirates' Log we wish successful sailing and a rich bountiful treasure.



PIRATES' PRIDE STAFF

January 11, 1952, the first issue of the "Pirates' Pride," our newspaper, came off the press. It was not until the next month however, that the paper was officially named. Doris Spencer submitted the name "Pirates' Pride" as an entry in the contest to name our paper. This name along with others was voted upon by the entire student body. The name "Pirates' Pride" won in the final count. Editorials, sports items, and scuttlebut are some of the features in each issue. In addition, original contributions of puzzles, poems and cartoons have appeared at various times. Interest increases as publishing date approaches early each month. The advisors are Miss Marion Zapka and Mr. Kinch.

CHEERLEADERS

VARSITY "S" CLUB

On December 14h this club held its first meeting for the purpose of electing officers. Those elected are as follows:

President ..... Paul Hurd
Vice President ..... Lee Robinson
Secretary ..... Doris Spencer
Treasurer ..... Ben Wirbel

The club was organized with 25 charter members for the betterment and improvement of athletics. Students receiving a Varsity S Letter are eligible to become members of this organization. Initiation was held March 11. February 2 the club held a round and square dance which was a great success.

Each member receives a Varsity S Jacket with a gold Pirate's Head, and gold lettering on the back .

Projects for the year included an athletic banquet, a donkey basketball game and a gold letter S to be placed on the auditorium curtains.

The Faculty Advisor is Mr. Ed Olszewski.

THE STUDENT COUNCIL

The Student Council originated with a constitution drawn up by a group of temporary representatives chosen by each class in September. The election of officers was held on October 11 and was conducted in a manner similar to political elections: the candidates campaigned, official ballot forms were printed, and election booths were used. Every student voted freely and secretly for his favorite candidate. Temporary representatives tabulated the votes, and the following officers were elected for 1951-1952:

President	Paul Hurd
Vice-President	Jim Curtiss
Secretary	Marion Fall
Treasurer	Ramona Busse

Three students from each class were chosen as student representatives in the Student Council. These representatives and officers were sworn into office by Common Pleas Judge Caris.

The representatives chose Mr. Holb and Mrs. Fall as faculty advisors.

The purpose of this organization is for the betterment and improvement of our school.

The Student Council was responsible for the following: purchasing a popcorn machine; installing a coke machine; sponsoring square dances and noon time activities. The March of Dimes campaign was also conducted by this organization.

MY WRECK

I had a car that went pretty fast.
I went around a curve, and thought it was my last.
When I stopped, four wheels in the air
I got out and said a prayer.

I took it home a total wreck
My dad saw it, and I got heck
I fixed it up the best I could.
I knew it would run, or I thought it would.

I started down a good sized hill,
There I had my greatest thrill.
The brakes let go! I couldn't stop!
And when I did—back on top.

—by Paul Hurd

THE F. F. A.

The Future Farmers of America held their first meeting early in the school year. The 1951-52 officers were elected November 5. They are:

President	Richard Vogel
Vice-President	Frank Burkey
Treasurer	John Martin
Secretary	James Montgomery
Reporter	Keith Bingham
Sentinel	Herman Reagan

The Faculty Advisor is Clifford Amstutz.

Our colors: blue and yellow.

Our creed: To practice brotherhood, honor rural opportunities and responsibilities, and develop those qualities of leadership which a Future Farmer should possess.

The F. F. A. Parliamentary Procedure Team took part in a contest during March. We sold garden seeds and seed corn as a service to the farmers and as a money raising project. A father and son banquet, a skating party, and a trip to judge cows were other activities of our organization. An F. F. A. basketball team took part in the Intramural Basketball Tournament also.

Initiation for the "greenhands·' was held in April. Also in April an election for 1952-53 officers was conducted.

FOOTBALL

We opened football season September the seventh at the Ravenna Stadium. The Prevue ended in a scoreless draw. It was played with the Ravenna City Reserves.

After coming from behind in the 4th period we managed to tie Uniontown 12-12.

The Aurora Greenies showed us they weren't so green. One of the finest teams we played all year. 39-0 was the final score.

Garfield out scored us 43-14 but we managed to push across two TD's.

After Randolph took the lead, the Pirates came to life in the last quarter, but the odds were overwhelming. The game ended 57-19.

The school's spirit was up for this game and in the first quarter we fought on even terms, but the Rovers of Rootstown won 48-0.

On 4 completed passes in a row we scored a TD and gave Mantua a scare, but the final score was 37-14.

We played McDonald under the worst weather conditions of the year. With their power they conquered us. Score: 47-0.

The Pirates gave the Atwater Spartans a rough going over. We scored TD's on a 70 yard interception, a 35 yard skirt around end, and a pass. One of the most exciting and closest games of the year. Final score: Atwater 26; Southeast 21.

LEAGUE GAMES

Our first league game with Hiram was won in a miraculous overtime 61-59.

During the Randolph tilt the Pirates led through the game until the last period losing 33-29.

Rootstown picked us to begin their winning streak by walloping us 68-30 at Aurora. We pulled the game out of the fire in the third quarter and came home with a 54-51 victory.

With our man to man defense we almost succeeded in upsetting Garfield, who finally won 45-38.

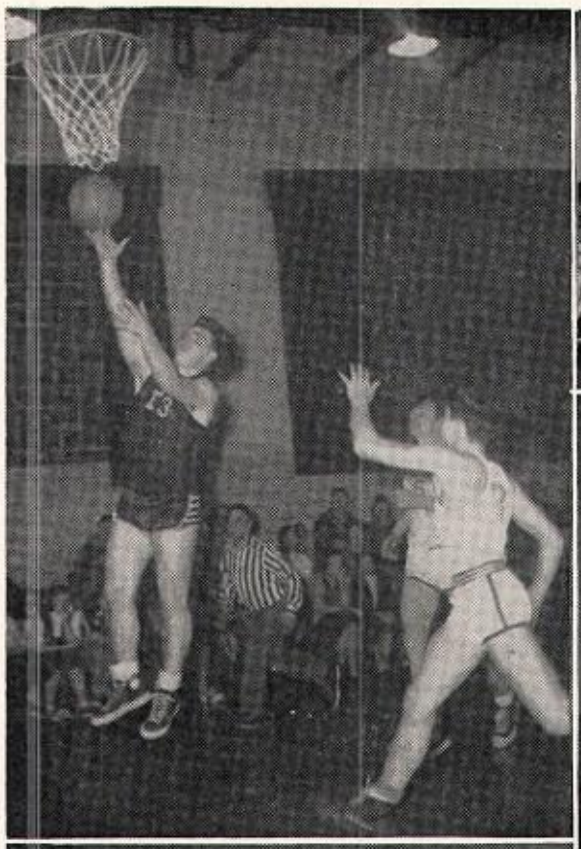
Being the underdog in a heated contest we upset high flying Mantua 34-31.

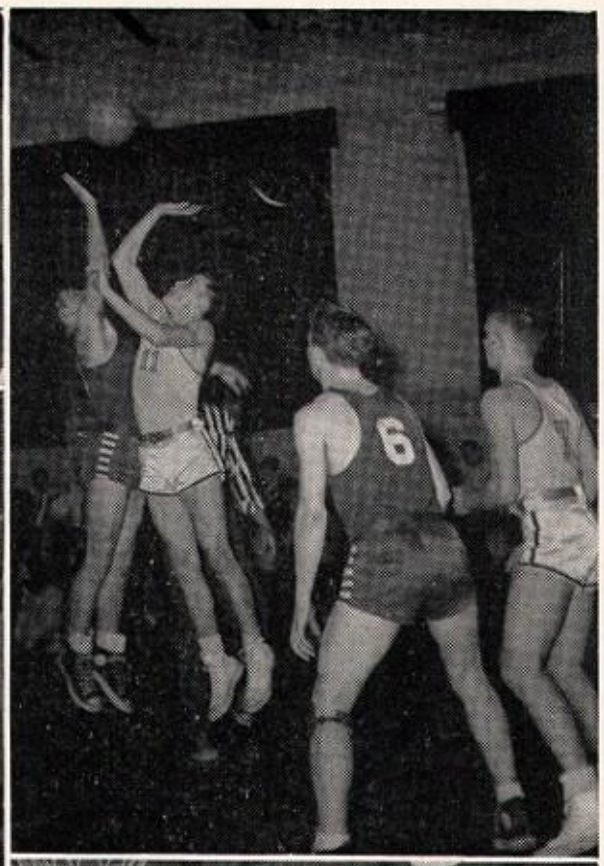
Our shooting eyes were off during this game and Suffield downed us 43-33.

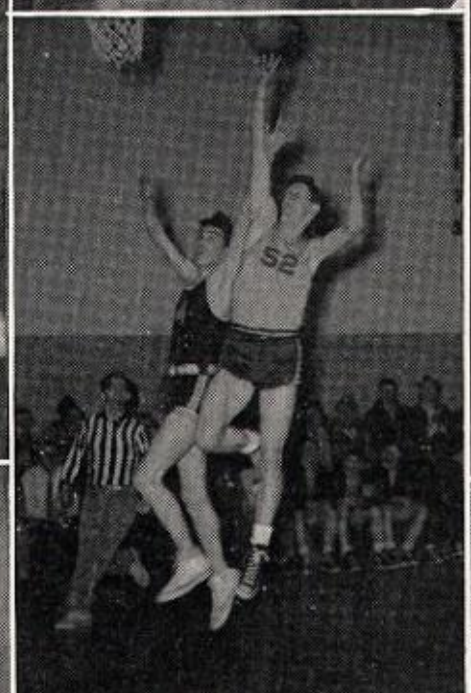
Ravenna Township having one of their best shooting percentage nights beat us 64-51.

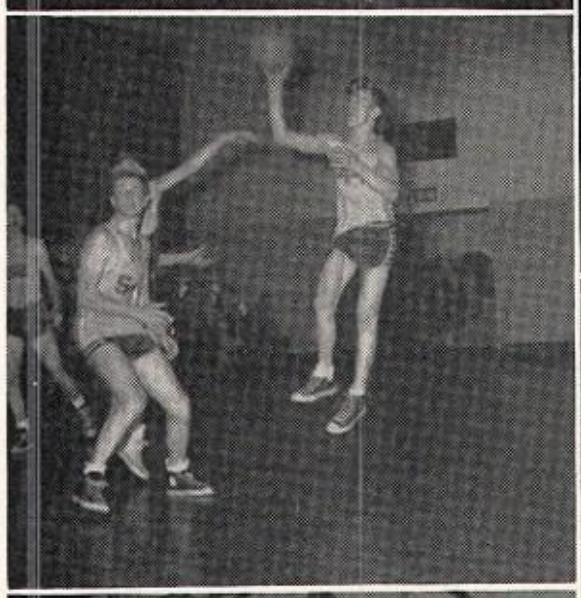
The Pirates were hindered by Atwater's small floor and were defeated 47-40.

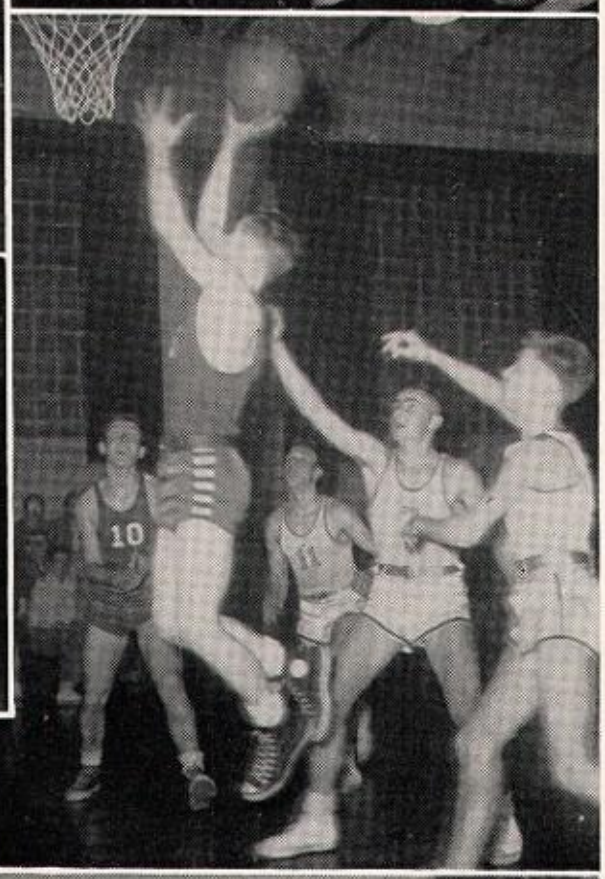
With all of Windham's power and height, we easily succumbed to them 79-21 in our last league game.

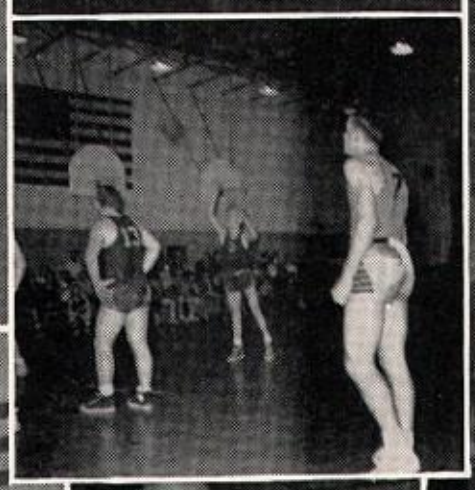


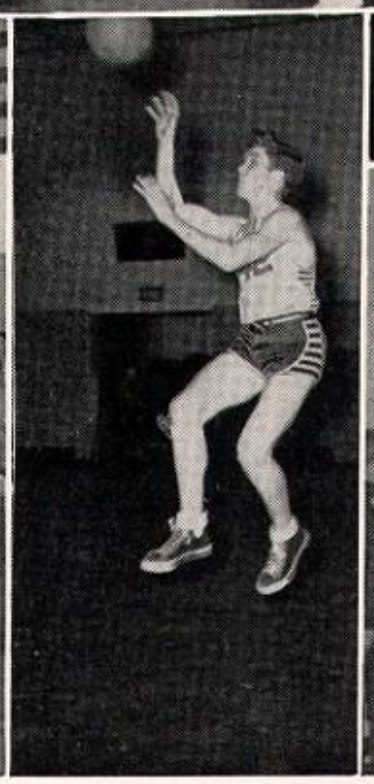




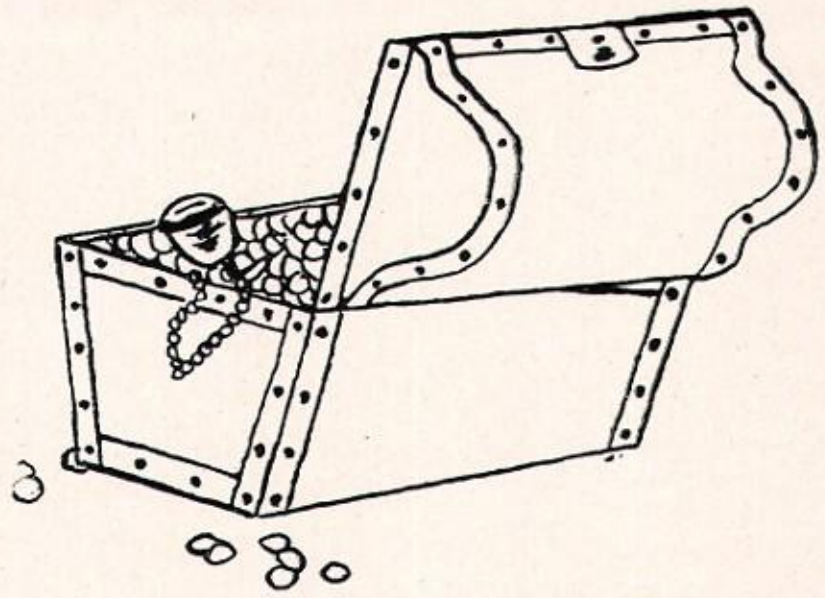








Our Treasured Gems



As the first issue of our "Pirates' Log" goes to press, we are happy to include this page of our treasured gems. Yes, in any treasure chest are found rare jewels of great value; so it is with us.

In all sincerity, we hope that the "jewels" that are found on this page shall serve as an inspiration toward higher attainments for the students of Southeast High in the coming years.

NATIONAL HONOR SOCIETY

It is our privilege to begin a chapter of the National Honor Society, which is sponsored by the National Association of Secondary School Principals.

Membership in each class is limited. Eligibility requirements are based upon scholarship, character, leadership and service. The final selection rests in the hands of our faculty.

We are proud to announce those who have been chosen this year. Seniors—Geraldine Bailey, Shirley Corbitt, Jeanette Hildebrand, Cecil Kerley, Jean Partin, Vivian Smith and Walter Yingling. Juniors—Norman Burton, Lawrence Evanoff, Marion Fall, Edward Foster, Patty Heckert and Kenneth Lewis. Sophomores—(probationary members) Elaine Fosbeck, Nancy Haiflich, Jim Jackson, Lou Ann Thorpe and Pauline Veppert.

Mrs. Sara Hoyt is faculty adviser.

VALEDICTORIAN and SALUTATORIAN

Jeanette Hildebrand has won the honor and the distinction of ranking first in her class as determined by the point average for the four years in high school. She, then, becomes valedictorian for the Class of 1952.

To Jean Partin goes the second highest honor, that of becoming salutatorian.

BOYS' STATE and GIRLS' STATE

The Deerfield American Legion post is sponsoring two students from Southeast High School to attend these summer conventions. Each student must come from the junior class. Final selection is made by the faculty on the basis of scholarship, citizenship, leadership, character and service. This year Kenneth Lewis will attend Boys' State at Camp Perry and Patty Heckert has been chosen to attend Girls' State at Capital University.

We are grateful to the Deerfield post that two of our students have the opportunity to attend these splendid camps in citizenship training.

Our basketball season wasn't too successful, but we've gained valuable experience and did have many good times practicing and playing hard.

Laurels are due our school patrol, members of which served faithfully to preserve order and safety on the playground, in the gym, and on the busses. They were rewarded in part for their efforts by an evening at the wrestling matches in Akron and a day watching the Cleveland Indians in action.

We owe a vote of thanks to the P. T. A. for the swings and sliding board they purchased for our playground.

Our orchestra made much progress under the capable direction of Mr. Ruckman.

Culmination of the year's activities will be commencement night. Diplomas will be given the graduating class and recognition awards will be presented all pupils who have earned them for perfect attendance, reading circle, patrol, scholarship, or athletics.

This year at Deerfield all the grades, one through eight, have done many interesting activities which have been correlated with the classroom subjects. These have proved fun and exciting as well as very helpful in giving us new ideas about our work. We want to do more of these activities in the next school year because we feel they greatly enrich the school program.

The P. T. A. held a fair and the School Boosters had a frolic night. The proceeds from these two affairs are being used for playground repairs and new playground equipment.

As a project for the entire school, we have collected sales tax stamps. Then the money was divided equally between the grades. The teachers then purchased the things each room needed to make her room better suited for her class. We also, as a school, were very successful in selling seeds this year.

Palmyra School has been having a busy year. Everyone seemed all excited at the opening of school.

Probably the most memorable and excitable events were the basketball games we played with Paris for the championship. We lost, but we offer congratulations to Paris and to our boys.

Our amateur show was a great success and the proceeds were contributed to the March of Dimes. Our school is also very proud of the certificate of award for its contribution in the drive for comic books for Muscular Dystrophy.

Our newspaper, the Chatterbox, has been an item of interest all year and our Student Council and Safety Patrol have done an excellent job.

It is not all work at Palmyra—we have had parties on Christmas, Halloween, and Valentines Day. We all had a good time at the picnic toward the end of the school year.

Paris School opened in the fall with a slight decrease in enrollment. The remaining pupils were pleased to see that the halls and rooms were freshly painted in attractive colors. In addition to those changes there were five new teachers.

The school year has passed pleasantly and quickly with about the same number of programs, entertainments, absences due to weather and sickness as in other years.

The P. T. A. has treated us very generously: curtains for the stage and the Home Economics room, and a banquet for the basketball team and cheerleaders.

Perhaps the main event of the year was the winning of the Portage County District Grade Championship by our basketball team.

The boys practiced long and diligently, played hard, listened to their coach and won. Paris School is proud of them.
